### TRUE HOME TOWN PATRIOTISM

PATRIOTISM, like other homely virtues, begins at HOME. It is only given to the few to serve in HIGH places. But all of us have the opportunity to serve at HOME. Loyalty to the HOME town is the test of REAL patriotism. When we fail to support Home Trade and Home Industries we fall in our loyalty to our country and to ourselves. Great are the rewards of Home Town Patriotism. Great are the results. It brings prosperity to us and ours, employment for all, activity in business and progress in every direction. With "Our Town First" as our slogan our Progress is assured.
